Reminder for rDVMs:

- **Call Ahead:** Please call to confirm that we can provide the services your patient needs and to check availability **before** you send your clients to us. This also allows us to take the client's information and provide an accurate price quote so everyone knows what to expect, ensuring we're fully prepared when the patient arrives.
- **Send Records in Advance:** When referring a patient, it's very helpful to send all medical records, blood work, and imaging to medicalrecords@oradell.com. This ensures our doctors have the full picture before seeing the patient.
