

## March Newsletter

2026

### Meet Our Referral Liaisons

#### Jessica - Internal Medicine

Jessica serves as the dedicated Referral Liaison for our Internal Medicine team. She works closely with referring veterinarians to coordinate cases, facilitate clear communication, and ensure timely updates throughout the referral process. Jessica is committed to supporting collaborative care and creating a seamless experience for both your team and your clients.

### CE Dinner with Dr. Max Randolph – Too Sweet to Not Treat: Diabetes Mellitus in Dogs and Cats

Apr 02, 2026 07:00pm -  
Apr 02, 2026 09:00pm

#### Jill - Cardiology

Jill serves as the liaison for our Cardiology department, helping streamline referrals and maintain clear, consistent communication between practices. She works to ensure cardiac patients are scheduled efficiently and that referring veterinarians receive timely updates. Jill is dedicated to strengthening partnerships within our veterinary community.

Join us for an exclusive Dinner Presentation with Dr. Max Randolph, proudly sponsored by Royal Canin. This CE/RACE-approved lecture will provide expert insights on diabetes management in pets in a relaxed, engaging setting. This is a unique opportunity to learn from Dr. Randolph, who is dedicated to enhancing the well-being of our animal patients.

We look forward to seeing you,
