

July 2026 OAH Newsletter

4th of July Hours 🇺🇸

We will remain open on July 4th to continue providing care for our patients and community.

Our Emergency and Critical Care Department is available 24/7, as always, for any urgent or emergent cases.

As always, please call ahead when referring a patient to confirm availability.

Wishing you a safe and happy Independence Day! 🌟

Reminder: Our Menu Options Have Changed

If calling from a referring veterinary office, please **press 3**. Then select from the following options:

- **Press 1** to refer a patient through Emergency
- **Press 2** to speak directly with a Referral Liaison for referral support and assistance

Direct Line (Emergency): **(201) 253-0242**

This line is intended exclusively for referring veterinary professionals. Please do not share this number with clients or use it for client communication.

For client inquiries, please direct them to our main line at **(201) 262-0010** so they can be appropriately assisted.

These updates are designed to improve efficiency and ensure your team is connected with the appropriate department as quickly as possible.

Neurology CE Dinner – August 17 (In-Person & Virtual)

Join us for a RACE-approved Neurology Continuing Education Dinner featuring Dr. Levshin from Oradell Animal Hospital on Sunday, August 17 at 7:00 PM. This program will be offered both in person and virtually via Microsoft Teams, giving RDVMs flexible attendance options. We look forward to an informative evening of neurology-focused education and discussion. This event is co-sponsored by Hill's Pet Nutrition.
